## The Knights of the Noon Day Sun Hosts Their First Annual Golf Tournament on May 21, 2010

The Knights of the Noon Day Sun (KNDS), are hosting their first annual Golf Tournament on Friday, May 21, 2010 at the ShadowGlen Golf Club.

KNDS has served the Austin community for over 100 years. KNDS has raised money over the years for the NAACP, the American Cancer Society, Safe Place of Austin, and the Diabetes Association. In addition, KNDS donates school supplies twice a year to several East Austin elementary schools and has an annual Christmas food drive to create food baskets for needy families.

The proceeds of this tournament will allow KNDS to continue its philanthropic efforts in Austin, in addition to benefiting Lisa's HOPE Chest.

Lisa's HOPE Chest, founded by Ms. Lisa Benford (pictured below) is an Austin-based non-profit association that provides gently-used professional clothing free of charge to men and women in need. It is specifically designed to help individuals in transition. Ms. Benford was honored by President Barack Obama and President George H. Bush as one of the 1000 Points of Light in 2009.

The ShadowGlen Golf Club was built by the prestigious Golf Works, Inc. It was named 2001 National Large Builder of the Year as selected by Golf Course News. In an effort to raise the bar of the public golf experience in Central Texas, Golf Works created what some are calling the premier golf experience at any price, public or private. Once you play ShadowGlen you will understand.
